Schedule 11

Protected B when completed

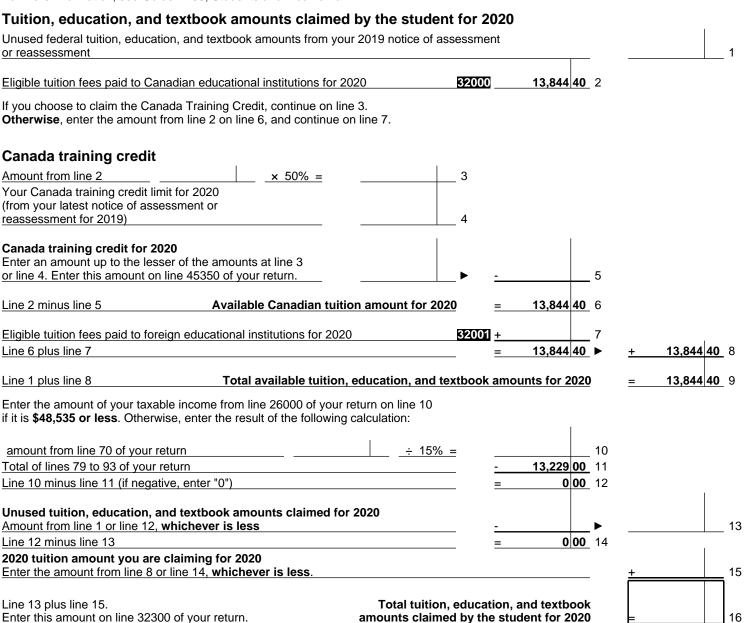

Federal Tuition, Education, and Textbook Amounts and Canada Training Credit

Only the student completes this schedule and **attaches** it to their return. If the student is transferring an unused amount from this year, the designated individual should not attach this schedule to their return.

In addition to your tuition, education, and textbook amounts and your Canada training credit, this schedule will help you calculate the tuition amount you can transfer to a designated individual and the unused amount, if any, you can carry forward to a future year.

Use your completed designated forms (T2202, TL11A, and/or TL11C) **or** other official tuition tax receipts to complete this schedule. To qualify for an amount on line 32000 and/or line 32001, the fees you paid to attend each institution must be **more than \$100**.

For more information, see Guide P105, Students and Income Tax.
